A Seminar on STRIVING FOR EXCELLENCE IN AUDITING FOR FOOD ESTABLISHMENTS

- ❑ How can auditors be "*calibrated*"?
- ❑ Is there an option for establishing a harmonized/coordinated system to reduce unnecessary audits and save valuable time and expenses?
- ❑ Can there be a single program of conformity assessment which reduces risk for business and its customers by assuring them that accredited certificates may be relied upon?

This Seminar will discuss these questions and more, enhance an auditor's audit skills, share industry concerns and the handling of ambiguous or difficult situations.

This seminar is conducted in English and most suited to the "already-an-auditor" from government agencies, certification bodies, industries; internal auditees from industry who want to know more; and anyone who want to be updated on auditing issues.

Simply download the Seminar Brochure [here](#) to register.
Closing Date: 3 April 2018 (no walk-ins will be accepted).
